Message from the Chair

Mitchell H. Gropper, Q.C.
Chair, Dean's Advisory Committee

About the Chair

Mr. Gropper is a senior partner at Farris LLP and a long-time supporter of the Peter A. Allard School of Law and Centre for Business Law. A widely respected leader in the business legal community, he is rated by LEXPERT as one of Vancouver's leading lawyers in mergers & acquisitions, corporate finance and commercial law, Canada's 40 Deal-Makers, Canada's 100 most creative lawyers, and Canada's 100 leading cross-border transaction lawyers. Mr. Gropper is the founder of the annual faculty exchange program between Allard Law and the Faculty of Law at the Hebrew University of Jerusalem. He is also a board member in the Greater Vancouver Jewish Federation and the Chancellor and a member of the Board of University of Canada West.

I am honoured to have been appointed as Chair of the Dean's Advisory Committee in January 2020, having been a member of the Committee since the Centre for Business Law was founded in 2006.

Despite the challenges from COVID-19, this has been a continued period of growth for the Centre. Dr. Carol Liao was appointed as Director of the Centre in August 2019. Her expertise and dynamism has given the Centre fresh new energy and direction.

In our 15 month reporting period of August 2019-December 2020, the Centre has hosted a record number of conferences, workshops, and social events. After March 2020, we successfully pivoted to webinars and virtual platforms, creating space for the exchange of ideas on topical issues in business law.

The Centre has forged many collaborative partnerships across UBC, Vancouver, and Canada. We are also home to two of the top business experiential learning programs in the country, the Richards Buell Sutton LLP Business Law Clinic and Norton Rose Fulbright LLP Corporate Counsel Externship.

There is much to celebrate with our Centre for Business Law community. We hope you enjoy our Annual Report. The Centre looks forward to your support of the Centre's initiatives as it continues to thrive.

Message from the Director

Dr. Carol Liao
Director,
Centre for
Business Law

About the Director

Dr. Liao was appointed Director of the Centre for Business Law in August 2019. She is an Associate Professor at the Peter A. Allard School of Law and the UBC Sauder Distinguished Scholar of the Peter P. Dhillon Centre for Business Ethics, UBC Sauder School of Business. An award-winning teacher and researcher, Dr. Liao is also a Principal co-Investigator of the Canada Climate Law Initiative and a former Bertram Scholar of the Institute of Corporate Directors. She obtained her PhD/SJD (Joint Degree) from UBC and the University of Toronto, specializing in corporate law. Prior to academia, she was a senior associate in the Mergers & Acquisitions Group of Shearman & Sterling LLP in New York and clerked at the BC Court of Appeal.

As I reflect on my time as Director of the Centre for Business Law, I am proud of our accomplishments during the most unusual 2020 year.

We have reinvigorated a dynamic research centre that provides a community of over 3,000 business leaders, practitioners, scholars, and students with access to legal education and networking events year around. In the past 15 months, we have hosted 38 events on a wide range of contemporary business topics including Indigenous business, cannabis law, pay equity, mining governance, climate litigation, access to justice, and post-pandemic green recovery, to name a few.

We have fostered and developed new educational programs housed at the Centre, and also established our inaugural Student Committee, which hosted its first lawyer-student luncheon in March of this year.

Along with our two very successful experiential learning programs and incredible adjunct professors, participating organizations, and students, there is a lot to celebrate.

Our sincerest thanks to the Dean's Advisory Committee, generous sponsors, individual donors, Allard faculty, staff, students, and our business and legal community, for a wonderful year. It was a year filled with connections in spite of the pandemic, and these invaluable connections will continue into 2021.

Dr. Carol Liao
Director, Centre for Business Law

Spotlight: Screening of 'The New Corporation: The Unfortunately Necessary Sequel' and Q&A with Professor Joel Bakan

In 2003, Professor Joel Bakan's documentary film, *The Corporation*, made waves around the world. Now in 2020, he is back with his new film, *The New Corporation: The Unfortunately Necessary Sequel*, on how the corporate takeover of society is being justified by the rebranding of corporations as socially conscious entities. The Centre co-hosted the virtual screening and Q&A with Professor Bakan along with the UBC Public Humanities Hub and International Justice and Human Rights Clinic (IJHR). The event attracted over 300 people across eight countries.

The extraordinary work produced by the Centre goes well beyond the walls of Allard Hall. In January 2020, over 150 celebrated the Centre at the Annual Welcome Reception hosted at The Keg downtown. In 2021, even though we will be physically apart due to COVID-19, we look forward to celebrating together virtually.
