How to Connect to the UBC VPN

For any UBC web site that requires remote access via the UBC VPN, the installation instructions for installing the UBC VPN (Cisco AnyConnect app) can be found here: https://it.ubc.ca/services/email-voice-internet/myvpn/setup-documents.

Some UBC web sites are accessible from anywhere without needing the UBC VPN.

NOTE: The VPN server name is **myvpn.ubc.ca** and you log into it with your CWL and password.
