ADDITIONAL INFORMATION RE: GRADES COLLECTION AND DISTRIBUTION

1. **Do I need to include my law school grades in my application?**

All clinics and externships have their own application requirements that are set out in their fact sheets. Students should carefully review each program's fact sheet to determine whether law school grades are required to apply.

2. **I applied to a program that will review law school grades that are available up until the application deadline, but does NOT require April 2023 grades. (A) Do I need to provide an updated transcript once my April 2023 grades are available? (B) Who will get access to my grades?**

(A) Students do not need to provide updated transcripts. These programs will not consider your April 2023 grades.

(B) The only programs that will have access to your grades are the programs to which you apply. The only grades that they will have access to are the grades that you include in your application package.

3. I applied to a program that requires April 2023 grades. (A) Do I need to provide an updated transcript once my April 2023 grades are available? (B) Who will get access to my grades?

(A) Students do not need to provide updated transcripts. Student Affairs will provide April 2023 grades to all Allard Law experiential learning programs that require access to these grades as part of their recruitment process.

(B) Programs that you have applied to will receive, as part of your application package, your law school grades that are available up until the application deadline. They will also receive your April 2023 grades in the form of a master grade report containing the 2022-2023 grades of all students that have applied to an experiential learning program requiring April 2023 grades.

Additionally, all other experiential learning programs (i.e. clinics, externships, upper-year moots) that require April 2023 grades will have access to your 2022-2023 grades. Allard Law is currently unable to provide clinics and externships with tailored grade reports. Therefore, all experiential learning programs that require April 2023 grades will receive the same master grade report.

4. I did not apply for a program that requires grades. Who will get access to my grades?

If you did NOT apply to any experiential learning program that requires grades, your grades will not be provided to any experiential learning programs.

5. I have concerns about providing my law school grades to an experiential learning program. What should I do?

Grades are only collected for the purpose of recruitment for Allard Law's experiential learning programs. If you have any concerns about the collection of your grades, please contact [Barbara Wang](#), Manager, Student Affairs, **before** the application deadline.
