- (d) ☐ Contact information for 2 references to be included in the Mandatory Experiential Application Survey

2. Grades

The IJHR Clinic will review the following grades in their recruitment process:

- (a) ☒ Law school grades that are available up to the date of the Application Deadline will be reviewed
- (b) ☐ Law school grades will NOT be reviewed

If Option A is Selected:

Students must include a copy of their Allard Law Transcript in their application package.

- i. ☐ The Transcript must be an official copy (Note: There is a cost associated with [ordering a Transcript](#). Transcripts can take 2-4 business days to process.)
- ii. ☒ The Transcript does not need to be an official copy. A PDF of the Grades Summary generated through the Student Service Centre is sufficient (Note: The Grades Summary does not list course titles).

If Option B is Selected:

The IJHR Clinic will not receive access to students' law school grades. A student who only applies to The IJHR Clinic and does not apply to any other Allard Law experiential learning program that collects grades (including upper-year moot programs), will not have their law school grades collected or distributed to any experiential learning programs.

3. Interviews

- a. ☒ The IJHR Clinic will conduct interviews as part of the recruitment process. Only short-listed applicants will be contacted.
- b. ☐ The IJHR Clinic will not conduct interviews as part of the recruitment process.
- c. ☐ The IJHR Clinic may conduct interviews as-needed as part of the recruitment process.

4. Compatibility with Upper-Year Moot Programs

- (a) ☐ Students may participate in a moot and the IJHR Clinic at the same time.
- (b) ☒ Students should consult the IJHR Clinic if they receive an offer from an Upper-Year Moot Program and wish to moot at the same time as participating in the IJHR Clinic. The appropriate contact for this purpose is barrett@allard.ubc.ca
- (c) ☐ Students may not participate in a moot and the IJHR Clinic at the same time.

5. Program Schedule Overview

Students are responsible for managing their time and are expected to be fully engaged while participating in the program. Students should plan their affairs accordingly given the program schedule below:

Our program runs from September – April. While the Clinic is open to accepting reasonable delays/ absences, unless advanced permission is granted to waive attendance, students must attend all mandatory meetings to receive credit for the program. New clinicians will take over the work in September and work will ramp up from October to early December and January to April. An orientation with previous clinicians may occur in September 2024.

ADDITIONAL INFORMATION RE: GRADES COLLECTION AND DISTRIBUTION

1. Do I need to include my law school grades in my application?

All clinics and externships have their own application requirements that are set out in their fact sheets. Students should carefully review each program's fact sheet to determine whether law school grades are required to apply.

2. I did not apply for a program that requires grades. Who will get access to my grades?

If you did NOT apply to any experiential learning program that requires grades, your grades will not be provided to any experiential learning programs.

3. I have concerns about providing my law school grades to an experiential learning program. What should I do?

Grades are only one component of application packages. Often, grades are just used by a program as a source of additional information about a student's interest in an area of law or as a general indication of their academic progression. You do not need to have exceptional grades to be considered a strong applicant. If you have any concerns about providing your grades to a program, please contact [Barbara Wang](#), Manager Student Affairs, **before** the application deadline.
