

KAWASKIMHON MOOT 2025-2026 Application Fact Sheet

Note: This document provides information regarding the application process for a 2025-2026 position with the Kawaskimhon Moot. For additional information regarding the Kawaskimhon Moot, please see their Program Description on the [Allard Law Upper Year Moots webpage](#).

1. Application Package

Students must include the following materials in their application package:

- (a) Legal Writing Sample
- (b) Completion of the In-Person Moot Tryout
- (c) Completion of the Mandatory Experiential Application Survey
- (d) Other: the Kawaskimhon Application Form found on the [Allard Law Upper Year Moots webpage](#)

Please see the [Allard Law Upper Year Moots webpage](#) for additional guidance on preparing these materials. All application package materials should be submitted via [ACE](#). All experiential opportunities are labelled “ExL 2025 - 2026: Moot Name” on ACE.

2. Grades

The Kawaskimhon Moot will review the following grades in their recruitment process:

- (a) Law school grades that are available up to the date of the Application Deadline will be reviewed
- (b) Law school grades will NOT be reviewed

If Option A is Selected:

Students must include a copy of their official Allard Law Transcript in their application package.

If Option B is Selected:

The Kawaskimhon Moot will not receive access to students' law school grades. A student who only applies to the Kawaskimhon Moot and does not apply to any other Allard Law experiential learning program that collects grades (including clinic and externship programs), will not have their law school grades collected or distributed to any experiential learning programs.

3. *Compatibility with Clinic and Externship Programs*

- (a) Students may participate in a clinic or externship and the Kawaskimhon Moot at the same time.
- (b) Students should consult the Kawaskimhon Moot if they receive an offer from a clinic or externship and wish to moot at the same time as participating in the Kawaskimhon Moot. The appropriate contact for this purpose is Russell Nesbitt, Associate Director, Indigenous Legal Studies nesbitt@allard.ubc.ca
- (c) Students may not participate in a clinic or externship and the Kawaskimhon Moot at the same time.

Note: In addition to the above notations, students cannot participate in the Kawaskimhon Moot and in the Indigenous Community Legal Clinic, the Judicial Externship, or the Rise Women's Legal Centre at the same time (i.e. in term 2).

4. *Program Schedule Overview*

Students are responsible for managing their time and are expected to be fully engaged while participating in the program. Students should plan their affairs accordingly given the program schedule below:

Our program typically commences in January, however the moot problem may be circulated in December if it's a particularly large issue. Students will receive the coaching schedule in December and will be expected to attend weekly coaching sessions of 2 to 3 hours at the firm office in Yaletown commencing the first week of classes in January. Each week draft papers are expected to be circulated to the coaches two days prior to weekly coaching sessions. Moot dates are set as late as mid March. As it's a national moot, travel outside of the province is usually required.

ADDITIONAL INFORMATION RE: GRADES COLLECTION AND DISTRIBUTION

1. Do I need to include my law school grades in my application?

All moots have their own application requirements that are set out in their fact sheets. Students should carefully review each program's fact sheet to determine whether law school grades are required to apply.

2. I did not apply for a program that requires grades. Who will get access to my grades?

If you did NOT apply to any experiential learning program that requires grades, your grades will not be provided to any experiential learning programs.

3. I have concerns about providing my law school grades to an experiential learning program. What should I do?

Grades are only one component of application packages. Often, grades are just used by a program as a source of additional information about a student's interest in an area of law or as a general indication of their academic progression. You do not need to have exceptional grades to be considered a strong applicant. If you have any concerns about providing your grades to a program, please contact [Zack Uganec](#), Manager, Student Affairs, **before** the application deadline.
