2. Grades

The Gale Cup Moot will review the following grades in their recruitment process:

- (b) Law school grades will NOT be reviewed

If Option A is Selected:

Students must include a copy of their official Allard Law Transcript in their application package.

If Option B is Selected:

The Gale Cup Moot will not receive access to students’ law school grades. A student who only applies to the Gale Cup Moot and does not apply to any other Allard Law experiential learning program that collects grades (including clinic and externship programs), will not have their law school grades collected or distributed to any experiential learning programs.

3. Compatibility with Clinic and Externship Programs

- (a) Students may participate in a clinic or externship and the Gale Cup Moot at the same time.
- (b) Students may participate in the Innocence Project or the Criminal Clinic and the Gale Cup Moot at the same time. For all other clinic or externships, students should consult the Gale Cup Moot if they receive an offer and wish to participate in the clinic or externship at the same time as the Gale Cup Moot. The appropriate contact for this purpose is Isabel Grant, grant@allard.ubc.ca.
- (c) Students may not participate in a clinic or externship and the Gale Cup Moot at the same time.

Note: In addition to the above notations: students cannot participate in the Gale Cup Moot and in the Indigenous Community Legal Clinic, the Judicial Externship, the Rise Women’s Legal Centre, or the WSÁNEĆ law field course in the same academic year.

4. Program Schedule Overview

Students are responsible for managing their time and are expected to be fully engaged while participating in the program. Students should plan their affairs accordingly given the program schedule below:

The Gale Moot will run from September through to late February or the first week of March. The moot is expected to take place in Toronto. Most years, students have travelled to Toronto on Thursday morning and returned on Sunday.

The fall term will be devoted to developing the expertise in the area of the moot and preparing the factums. We begin oral practices with prominent criminal and civil litigators and judges in late November and end with the Court of Appeal practice in mid-February. Students should plan to be available in person during reading week and should be available to work (remote is fine) over the winter break.

ADDITIONAL INFORMATION RE: GRADES COLLECTION AND DISTRIBUTION

1. Do I need to include my law school grades in my application?

All moots have their own application requirements that are set out in their fact sheets. Students should carefully review each program's fact sheet to determine whether law school grades are required to apply.

2. I did not apply for a program that requires grades. Who will get access to my grades?

If you did NOT apply to any experiential learning program that requires grades, your grades will not be provided to any experiential learning programs.

3. I have concerns about providing my law school grades to an experiential learning program. What should I do?

Grades are only one component of application packages. Often, grades are just used by a program as a source of additional information about a student's interest in an area of law or as a general indication of their academic progression. You do not need to have exceptional grades to be considered a strong applicant. If you have any concerns about providing your grades to a program, please contact [Zack Uganec](#), Manager, Student Affairs, **before** the application deadline.
